T. Control of the Con			
Junior Course Selection			
English	Math		Science
□ English III	If you're in Geometry, select from below:	1 6	Chemistry
English III AP	Algebra II	1 6	Astronomy
English III Dual Credit TBI (Composition I)- TSIA Required	Advanced Algebra II	1 6	Environmental Systems
=   Eligion in Badi orealt PSI (composition )   Point Required	Math Models	1 12	Anatomy and Physiology
Social Studies			Physics- math based science
US History	If you're in Algebra II or have taken Algebra II, select from below:		*AP Physics- math based science; requires completion of Chemistry
US History AP	*Advanced Pre Calculus		Advanced Anatomy and Physiology- must be in Health Science pathway
US History Dual Credit- TSIA Required	*Statistics		*Pathophysiology- requires completion of Chemistry and at least one health science course
Psychology and Sociology	*Mathematics for Medical Professionals- must be in Health Science pathway		
	*AP Calculus- pre calculus is a prerequisite		
	Languages Other than English		
Spanish I	*Spanish III		*Spanish IV
□ *Spanish II	*Spanish III Advanced		*Spanish IV Advanced
Spanish II Advanced			
— Spanion in Advanced			
	Electives		
ATHLETICS/ P.E/ SPORTS MED	ANIMAL SCIENCE- Business and Industry		
	Principles of Ag		
			DIO/VIDEO TECHNOLOGY- Business and Industry
Athletics	*Small Animal Science/Equine Science		Principles of AAVTC
Athletics	*Small Animal Science/Equine Science  *Livestock Production		Principles of AAVTC  *Audio/Visual Production I
Athletics	*Small Animal Science/Equine Science		Principles of AAVTC
Athletics	*Small Animal Science/Equine Science  *Livestock Production		Principles of AAVTC  *Audio/Visual Production I
ELECTIVES  Yearbook I  Yearbook II	*Small Animal Science/Equine Science  *Livestock Production  *Vet Med		Principles of AAVTC  *Audio/Visual Production I  *Audio/Visual Production II
Athletics	*Small Animal Science/Equine Science  *Livestock Production  *Vet Med  *G MECHANICS- Business and Industry  Principles of Ag  *Ag Mechanics & Metal		Principles of AAVTC  *Audio/Visual Production I  *Audio/Visual Production II  Bee Cast  FINE ARTS
ELECTIVES  Yearbook I  Yearbook II	*Small Animal Science/Equine Science  *Livestock Production  *Vet Med  *AG MECHANICS- Business and Industry  Principles of Ag		Principles of AAVTC  *Audio/Visual Production I  *Audio/Visual Production II  Bee Cast  FINE ARTS  Art I
