## No School Monday, April 8

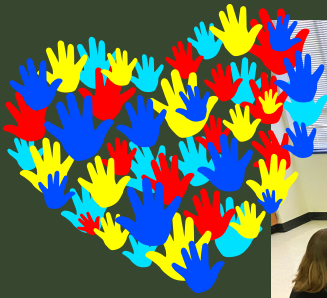

The total solar eclipse will bring thousands of people into the area. Please remember Academy ISD will be closed on Monday, April 8, due to the solar eclipse.

Families may view the eclipse resources below:

- [Alternative Ways to View an Eclipse](#): If you don't have eclipse glasses. Remember, never to look directly at the Sun.
- [Ways of Knowing: Eclipses Around the World](#) - share the wonders of eclipses from cultures around the world!
- The [GLOBE Observer](#) app allows you to measure air temperature and clouds during the eclipse. You can download this free app and help contribute data to the GLOBE program. Learn more at <https://observer.globe.gov/>
- [The Sun, Moon and You Activity](#) - Only materials needed for this activity are you, a family member/friend, a thumb!
